

# NEW Cancer Experience Registry/Research Survey

The Colorado cancer community and Cancer Support Community needs help from cancer experts—patients, caregivers, and survivors. Join the Cancer Experience Registry today and share your experience. In just 60 minutes, you have the potential to change the future of cancer care for this generation and the next.

This research survey is open to anyone diagnosed with cancer as well as any relatives or friends who act/acted as caregivers.

**It just takes 3 easy steps:**

1. Visit the Cancer Experience Registry:  
[www.cancerexperienceregistry.org/join/RMCC](http://www.cancerexperienceregistry.org/join/RMCC)
2. Register and complete your profile
3. Take the survey (start, stop, and start again when you like)
